**Re: *United States v. Irina Pastina & Jenya Kremen, 20 Cr. 681 (JPC)***

Dear Judge Cronan:

The Court has previously set a deadline for the exchange of expert notices of May 12, 2023. The Government anticipates calling a cell-site location expert at the above-captioned trial. As the Government previewed at the prior conference, and with the consent of the defendants, the Government respectfully requests that the Court allow the Government to make an initial disclosure on May 12, 2023, with a second disclosure due sixty days before trial. The Second disclosure will include the actual discrete opinions the expert is expected to testify to concerning the approximate locations of certain cellular devices on certain dates and times.

Respectfully submitted,

DAMIAN WILLIAMS  
United States Attorney for the  
Southern District of New York
